Come Holy Spirit:
Breathe down upon our troubled world,
Shake the tired foundations of our crumbling institutions,
Break the rules that keep you out of all our sacred spaces,
And from the dust and rubble gather up the seedlings of a new creation.

Come Holy Spirit:
Enflame once more the dying embers of our weariness,
Shake us out of our complacency,
Whisper our names once more, and scatter your gifts of grace with wild abandon.

Come Holy Spirit:
Break open the prisons of our inner being
And let your raging justice be our sign of liberty.

Come Holy Spirit:
Expand the horizons of our limited imaginations,
Awaken in our souls dangerous dreams for a new tomorrow
And rekindle in our hearts the fire of prophetic enthusiasm.

Come Holy Spirit, whose justice outwits international conspiracy,
Whose light outshines spiritual bigotry,
Whose peace can overcome the destructive potential of warfare,
Whose promise invigorates our every effort
To create a new heaven and a new earth,
Now and forever. Amen
